

Professional Engineer Renewal

Your Active Professional Engineer license expires on April 30, 2009, and you must renew your license to keep it in Active status until April 30, 2011. This is your official notification of renewal and you will not receive any further notices. Complete your renewal online at:

www.dora.state.co.us/registrations

Then click on "Online License Renewal". If you experience technical issues when renewing online, please email: regonline@dora.state.co.us. For all other inquiries regarding your renewal, or if you cannot access online services call 303-894-2984.

Renewal Fee:

- If renewed on or before April 30, 2009, the fee is: \$XXX
- If renewed on or after May 1, 2009, a \$15 late fee will be applied: \$XXX
- If you do not renew by June 30, 2009, your license will be lapsed.
